# PRESIDENT'S LETTER

Dear Friends,

There are things in life that seem so simple but actually are incredibly complex. Recently, I was reading an article about the creation of the quantum logic clock, which is now the most accurate clock ever made. The article posed the question of what is the definition of "one second."

That's easy — it is when the second hand on my watch clicks to the next hash mark on the dial. Or the length of time it takes me to say "one thousand one."

Oh, no. Apparently, one second actually is when a single isolated aluminum ion is struck by a laser to excite its electrons from one energy level to another so they transition between orbits, and each transition makes the "tick" of one second. Seriously, who knew?

In the field of personal philanthropy, the opposite situation can be true. A myriad of very complex, convoluted tax laws and rules and regulations can, in fact, be made simple. As a partner with you and your professional advisor, the Community Foundation can provide very efficient and effective — and SIMPLE — options on ways to carry out your charitable giving, now and forever!

We invite you to peruse this year's Annual Report and see the many individuals and families we are honored to serve. We also invite you to see for yourself how easy creating your perpetual legacy can be!

## ABOUT US

### CREATING LEGACIES. GROWING COMMUNITIES.

Community Foundation Serving Western Virginia has been providing customized services to donors for decades, connecting their generosity with a broad spectrum of important needs and opportunities within our communities. We exist to help people, with or without great wealth, give in ways that have joy and meaning for them. When you come to the Community Foundation with a dream, we offer a variety of flexible charitable solutions to make it come to life and go on forever.

Comprised of more than 300 permanent endowment funds (and growing), the Community Foundation has awarded more than \$49 million in grants to community institutions since our beginning. Each of these grants helps make our nonprofits stronger, touches the lives of many people in very real ways and brings about transformative change that makes our region an even better place to live for all.

## WHO WE SERVE

We are privileged to work with individuals, families, corporations, private foundations, nonprofits and others who reside in, or are located in, much of western and southwestern Virginia. Please see the map for additional specifics. With respect to grant making, we can award grants anywhere in the country as recommended by donor advisors.

# WHAT WE DO

## GIVING

Our mission is to enable people who love their community to easily give back. We always want to help folks feel good about their charitable giving. Whether their passion is arts and culture, the environment or helping students reach their educational goals, they have a professional partner and steward in the Community Foundation standing ready to help put that passion into action.

It is simple and easy to establish a Fund with the Community Foundation, whether you want to create an endowment for a favorite nonprofit or provide unrestricted support to meet the needs of the community. A Fund is created with a minimum contribution of \$10,000 (\$25,000 for scholarships and agency endowment funds). There is no cost to set up a Fund. Donors may elect to start a fund with contributions of cash, publicly traded or closely held securities, real estate, personal property or by the use of planned giving vehicles such as charitable remainder trusts, charitable lead trusts, life insurance policies and bequests. Contributions of any size are also welcome to existing Funds at any time.

## GRANTMAKING

The Community Foundation works tirelessly to carry out the wishes of donors and to provide expertise in local philanthropy. We constantly stay attuned to the latest developments in the nonprofit community. If donors want information on an organization, we will promptly do research and share the results of that due diligence. We also monitor the results of grants, all with the goal of ensuring that they are effective, efficient and productive.

In addition to monetary grants, the Community Foundation is in a unique position to provide technical expertise and strategic leadership to nonprofit organizations.

## TYPES OF FUNDS

Community Foundation Serving Western Virginia is comprised of many different funds dedicated to purposes our donors define. Here are the primary options:

**UNRESTRICTED FUNDS** provide the greatest flexibility, allowing the Community Foundation to respond to the community's pressing needs through changing time and circumstances.

**FIELD-OF-INTEREST FUNDS** allow donors to pinpoint support to broad areas of concern, such as education, the arts, the environment, youth services or geographic areas they choose.

**DESIGNATED FUNDS** ensure regular, endowed support is provided to specific charitable organizations in the donors name.

**DONOR-ADVISED FUNDS** allow donors to make recommendations about the distribution of grants.

**SCHOLARSHIP FUNDS** help further the education of students who are selected by volunteer committees based on criteria donors outline, whether a student is from a particular geographic area, attending a certain school or planning a career in a specific field.

**MEMORIAL FUNDS** ensure a special person is remembered through a Fund that reflects his or her legacy.

**AGENCY ENDOWMENT FUNDS** are created by nonprofits as a means of building charitable dollars for the future of their mission and work.

We can be remarkably flexible in crafting a charitable solution for you. Setting up a Fund is simple and can be done in a matter of minutes. For more information visit [cfwesternva.org](http://cfwesternva.org).

Soon after Beau's passing, Roger and Sherry Beasley, formed The Beau Justin Beasley Charitable Fund at the Community Foundation Serving Western Virginia.

"He lived his life so selflessly, what better way to honor him than to continue his hard work for the causes he loved. It gives us great comfort knowing that his name will forever be associated with giving back to the community."

The Fund is perpetual and will make annual grants to further Christianity in the world, support children in need, provide animal rescue and care, and strengthen fire and rescue squads. Like Beau did in his lifetime, the Fund will help many, many people in the years to come.

A photograph of a playground at Clearview Elementary School. In the foreground, a young boy in a red shirt is sliding down a blue slide. Other children are partially visible on the slide. In the background, a woman in a green shirt is swinging a child on a swing set. The playground is made of wood chips and is in front of a brick building with a tall chimney. The sky is blue with some clouds.

Do your philanthropic goals include helping children have a better life? We can quickly custom design a fund with you to make your dreams possible.

## BOYS AND GIRLS CLUBS OF THE BLUE RIDGE

Just as with the Fund that is enabling the Boys and Girls Clubs of the Blue Ridge (BGCBR) to open and operate an after-school program at Clearview Elementary School, you can put in motion an endowment to transform and enrich children's lives, now and forever!

# PUBLIC SUPPORT

## FOUNDING DONORS

### (ENDOWMENT)

It is a privilege to recognize a special group of individuals, families, private foundations and nonprofit organizations who established permanent endowment funds during the Foundation's critical early years. These visionary donors saw the importance of endowing a community foundation that would provide significant resources to enrich the quality of life for current and future generations of Roanoke Valley citizens. Funds created by the donors listed below were put in place through outright gifts by December 31, 1996. Such Funds helped the Foundation reach and exceed its initial "critical mass" endowment goal of \$5 million. In recognition of this support, each donor will be recognized in perpetuity as a "Founding Donor."

Please note that some of the donors recognized on these two pages are now deceased.  
We are so grateful for their generosity over the years.

Donors who understand the importance of a permanent community endowment have trusted the Community Foundation to carefully manage and distribute their charitable funds for generations. If you would like to join this tradition of extraordinary generosity, please let us know so you can be recognized. We would be pleased to provide you with information necessary to make an informed giving decision.

# FRIENDS OF THE FOUNDATION

We are honored to recognize donors who give annual administrative support to the Community Foundation in the amount of \$500 or more as "Friends of the Foundation" for that fiscal year. The support of our "Friends" is vital to keeping the Foundation strong and vibrant as we work hard to make our communities even better places for all.

Please note that for our Martinsville Regional Office Friends program, we use half of the gift to underwrite costs for the office and put half into our Martinsville Area Unrestricted Fund, to be used to meet important local needs and opportunities. We also use tiered recognition levels there as follows: \$2,000 and above Visionary; \$1,500–\$1,999 Community Builder; \$1,000–\$1,499 Ambassador; and \$500–\$999 Partner.

## Choosing Your Own Investment Manager

While the Foundation maintains a well-diversified and professionally managed investment portfolio for its hundreds of endowment funds, there may be times when donors want to continue an existing relationship with a particular investment firm and specific advisor.

Under our new "Charitable Investment Relationship Policy," donors who set up a fund within the Foundation for \$1 million or more now have that option. We will be happy to provide full details as appropriate.

Over time, private foundations may find that partnering with the community foundation can be a simple and mutually beneficial process.

## HENRY COUNTY DEPARTMENT OF PUBLIC SAFETY

The Martinsville Area Endowment Fund helps provide for the medical care of local residents. Through a recent Community Foundation grant from the Fund, the Henry County Department of Public Safety purchased a human simulator, which will properly train EMS providers and help save countless lives. This Fund came into existence through the transfer of certain assets from a private foundation.

## 25 YEARS AND STILL GOING STRONG: A Wonderful Estate Bequest and a Perpetual Fund for Music and Art

The Community Foundation is an estate-planning vehicle designed to carry out an individual or family's philanthropic legacy for generations to come. Twenty-five years ago, in 1994, the estate of Melva P. Jones established the Melva P. Jones Fund for Music and Art, a permanent endowment to support qualified charitable organizations in the Music and Art fields with a special emphasis on programs benefitting the citizens of the Town of Vinton.

Melva was a long-time resident of Vinton and widely known for her gift for music. After graduating from William Byrd High School, she attended Shenandoah Conservatory of Music. She also studied at Peabody Conservatory of Music, as well as several other national conservatories.

Melva was a 50-year member of the Thursday Morning Music Club and a past president of the Club. She taught piano and organ and directed music in the Roanoke Valley for over five decades and was an inspiration to countless children.

Since her Fund was set up, it has awarded hundreds of thousands of dollars in grants back to her home community in her name and supported the educational dreams of many young men and women through college scholarships. It will continue to do good things forever. If you, too, have charitable dreams you would love to see come to fruition, we would be honored to help make that happen!

## SERVICES FOR FINANCIAL, LEGAL AND INVESTMENT ADVISORS

Advisors play key roles in guiding their clients' philanthropy. They provide vital information about tax relief, building a family tradition of giving and identifying and structuring advantageous giving vehicles.

Community Foundation Serving Western Virginia supports advisors and their clients at every step in the charitable giving process. Throughout our community — financial, legal and investment advisors have discovered the capability and convenience of the Community Foundation's resources and have partnered with us to deliver charitable giving services for their clients.

Thank you for being a part of our long-term success, and we are deeply indebted for the regular support of attorneys, CPAs, trust officers, financial planners and the rest of the professional advisor community!

For more information, contact the Community Foundation's Roanoke office at 540.985.0204 or the Martinsville office at 276.656.6223 or visit [www.cfwesternva.org](http://www.cfwesternva.org).
