# PRESIDENT'S LETTER

**“There’s a silver lining.”**

**“There’s a light at the end of the tunnel.”**

**“Rainbows follow a bad storm.”**

While our lexicon has always been replete with such phrases of optimism and hope amidst trying circumstances, lately it seems our conversations have instead been filled with a slew of gloomy adjectives. I, quite frankly, hope I never have to hear those descriptors again (think “unprecedented”, et al.), and you won’t see those words reflected here.

Why? It’s not because we are being the proverbial ostrich with our head in the sand (which by the way is a myth), simply ignoring the world around us. It’s because your community foundation is, and always has been, a refuge — an oasis if you will — of positive actions and results. We are blessed to be able to spend our time, talent and resources on finding ways to make all of the communities we serve more vibrant and successful, to truly change lives for the better, to offer opportunities where none existed before, and to make long-held dreams and aspirations come true.

Perhaps, most importantly, we are honored and privileged to perpetuate over the generations the amazing and wonderful generosity of our many donors. Yes, you are the fountainhead for everything the community foundation accomplishes, as reflected in this annual report. You are our Good News, and we are deeply grateful for that!

All the very best,

Alan E. Ronk  
President and CEO

# ABOUT US

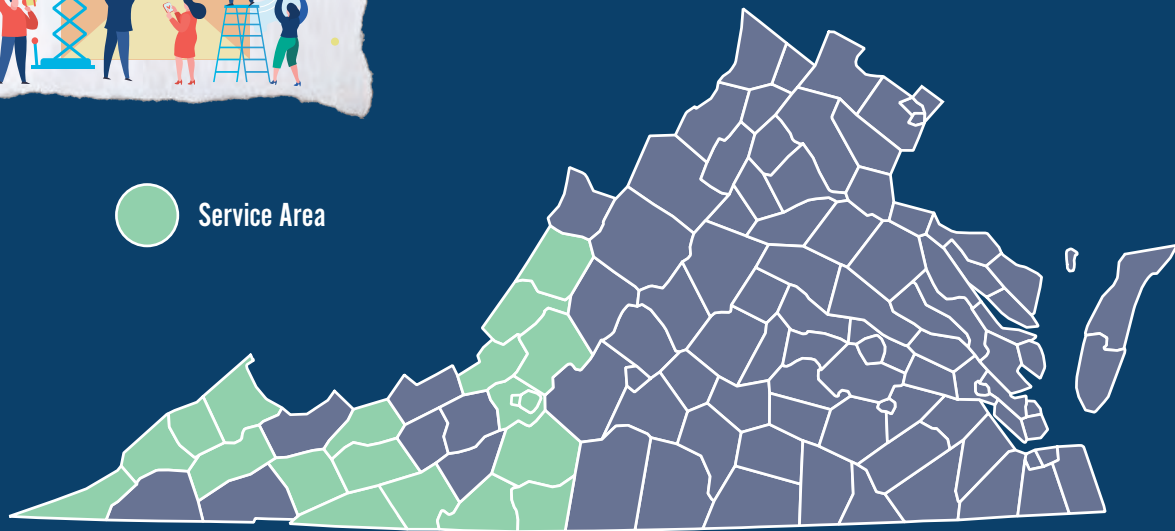

---

## CREATING LEGACIES. GROWING COMMUNITIES.

Community Foundation Serving Western Virginia has been providing customized services to donors for decades, connecting their generosity with a broad spectrum of important needs and opportunities within our communities. We exist to help people, with or without great wealth, give in ways that have joy and meaning for them. When you come to the Community Foundation with a dream, we offer a variety of flexible charitable solutions to make it come to life and go on forever.

Comprised of more than 350 permanent endowment funds (and growing), the Community Foundation has awarded more than \$52 million in grants to community institutions since our beginning. Each of these grants helps make our nonprofits stronger, touches the lives of many people in very real ways and brings about transformative change that makes our region an even better place to live for all.

---

# WHO WE SERVE

---

We are privileged to work with individuals, families, corporations, private foundations, nonprofits and others who reside in, or are located in, much of western and southwestern Virginia. Please see the map for additional specifics. With respect to grant making, we can award grants anywhere in the country as recommended by donor advisors.

# WHAT WE DO

## GIVING

Our mission is to enable people who love their community to easily give back. We always want to help folks feel good about their charitable giving. Whether their passion is arts and culture, the environment or helping students reach their educational goals, they have a professional partner and steward in the Community Foundation standing ready to help put that passion into action.

It is simple and easy to establish a Fund with the Community Foundation, whether you want to create an endowment for a favorite nonprofit or provide unrestricted support to meet the needs of the community. A Fund is created with a minimum contribution of \$10,000 (\$50,000 for scholarships and \$25,000 for agency endowments). There is no cost to set up a Fund. Thereafter a Fund is assessed an annual administrative fee ranging from 1% to 1.75%. Donors may elect to start a fund with contributions of cash, publicly traded or closely held securities, real estate, personal property or by the use of planned giving vehicles such as charitable remainder trusts, charitable lead trusts, life insurance policies and bequests. Contributions of any size are also welcome to existing Funds at any time.

## GRANTMAKING

The Community Foundation works tirelessly to carry out the wishes of donors and to provide expertise in local philanthropy. We constantly stay attuned to the latest developments in the nonprofit community. If donors want information on an organization, we will promptly do research and share the results of that due diligence. We also monitor the results of grants, all with the goal of ensuring that they are effective, efficient and productive.

In addition to monetary grants, the Community Foundation provides many hours of technical expertise and strategic leadership to nonprofit organizations.

## TYPES OF FUNDS

Community Foundation Serving Western Virginia is comprised of many different funds dedicated to purposes our donors define. Here are the primary options:

**UNRESTRICTED FUNDS** provide the greatest flexibility, allowing the Community Foundation to respond to the community's pressing needs through changing time and circumstances.

**FIELD-OF-INTEREST FUNDS** allow donors to pinpoint support to broad areas of concern, such as education, the arts, the environment, youth services or geographic areas they choose.

**DESIGNATED FUNDS** ensure regular, endowed support is provided to specific charitable organizations in the donors names.

**DONOR-ADVISED FUNDS** allow donors to make recommendations about the distribution of grants.

**SCHOLARSHIP FUNDS** help further the education of students who are selected by volunteer committees based on criteria donors outline, whether a student is from a particular geographic area, attending a certain school or planning a career in a specific field.

**MEMORIAL FUNDS** ensure a special person is remembered through a Fund that reflects his or her legacy.

**AGENCY ENDOWMENT FUNDS** are created by nonprofits as a means of building charitable dollars for the future of their mission and work.

We can be remarkably flexible in crafting a charitable solution for you. Setting up a Fund is simple and can be done in a matter of minutes. For more information visit [cfwesternva.org](http://cfwesternva.org).

# THE H. CLAY GRAVELY IV MEMORIAL FUND

"Devoted husband, father, son, brother and friend." This is how many of Clay Gravelly's family and friends describe him. In December 2017, he died at the age of 40 from colon cancer. Because of his commitment to the community and to keep his memory alive, a group of his closest friends and family established the H. Clay Gravelly IV Memorial Fund at Community Foundation Serving Western Virginia.

A native of Martinsville, Clay attended Carlisle School before moving to Michigan with his family. He graduated from the University of Virginia and the T.C. Williams School of Law at the University of Richmond.

He moved back to Martinsville because he loved his hometown and wanted to make a difference. He served as an Assistant Commonwealth's Attorney before opening his private law practice, which he managed until his election as Commonwealth's Attorney in 2014. He served as the Commonwealth's

Attorney for the City of Martinsville from 2014 to 2017.

Clay met his wife, Jennifer Beeler Gravelly in March 2012. They married in June 2013 and had their first son, Quinn, in 2016. "Although Clay was a public figure as the city's lead prosecutor, he was first and foremost a family man," Jennifer said. "He was the best husband, the best friend, the best supporter I could have ever imagined. And although he was a father for only a short time, he was the best father I could have hoped for."

Before he died, Jennifer showed him the first ultrasound pictures and video of their son, Brooks, who was born in August 2018.

The H. Clay Gravelly IV Memorial Fund is perpetual and will help support organizations and programs that he was passionate about such as his favorite activity, fly fishing, as well as outdoor recreation and education, preservation of water, lands and natural resources and live music and entertainment.

## MY HOMETOWN FUND SUPPORTS LOCAL HIGH SCHOOL

For the ninth year in a row, the Town of Buchanan welcomed multi-award winning Old Dominion's lead singer Matthew Ramsey and his fellow singer/songwriter friends for an evening filled with music, laughter, and perhaps most importantly, a spirit of giving.

"Nashville Night in Buchanan" is an annual benefit concert to raise money for community needs in the Town. With its growing success year after year, it became apparent to Matthew and his wife Sara, both natives of Botetourt County, that they wanted to find ways to have an even greater impact. In 2019, they established the Ramsey Foundation. Soon thereafter they set up "My Hometown Fund" within the community foundation to support important local community needs in Botetourt.

This year, the first grant from My Hometown Fund was awarded to James River High School, the host site for Nashville Night and Matthew's high school. The \$50,000 grant will help purchase band equipment, improve the school's recording studio, and other important arts projects.

## NON-ENDOWED FUNDS

The Foundation also administers numerous non-permanent advised Funds. Advised funds enable donors to periodically make recommendations for grants to qualified charitable organizations and are structured to make full or significant distributions of principal.

Donor advised funds are a great way for parents to involve their children in giving back to the community. By including sons and daughters as fund advisors, they develop a pattern of charitable giving and lifelong philanthropy.

*Running a nonprofit during a pandemic is no small task, especially in trying to keep every staff person working and receiving their normal paycheck. We were fortunate to be one of the recipients of a Disaster Relief Grant from the Community Foundation. At a time when we were trying to pay the bills, it was a huge relief to know that the supplies we needed to keep the staff and guests safe and to operate as normally as possible would be available to us.*

*Thank you so much for the Community Foundation's COVID-19 Disaster Relief Grant! When COVID hit our area, so many of the people we served were impacted. The grant helped us to serve families and individuals in our community. The funds helped us assist people who were furloughed or had their hours reduced, people who had tested positive for COVID needing to self-isolate, people experiencing food insecurities by not being able to get to the food bank and people who were literally homeless due to COVID. We so appreciate your generosity that helped Faith Network have an impact in Franklin County.*

The Faith Network

*Free telehealth mental health sessions were made available for 30 clients during COVID-19 through the generous funding the Community Foundation provided. These sessions focus on strategies to help the clients through their struggles with higher levels of anxiety and depression and offer resources and referrals to other programs and services that will provide longer term supports. During COVID, everyone risks losing their support systems and your support helped our clients find the support they needed in the midst of very dark times.*

Family Service of Roanoke Valley

***A big thank you to Community Foundation Serving Western Virginia for providing the grant to help us purchase our boxes and a new pallet jack for our COVID-19 emergency food boxes for the community.***

## FEEDING FAMILIES AND HELPING RESTAURANTS

The community was facing a two-fold challenge. How could it help those desperately in need of hot and nutritious meals? How could it try to keep local restaurants in business? Along with Boys & Girls Clubs of SWVA and United Way of Roanoke Valley, your community foundation undertook a major collaborative effort to simultaneously address these two issues.

Thus, Takeout Hunger was born. During a 7-week period, \$88,000 was raised or granted, which provided over 11,000 hot meals prepared by numerous local food establishments! Seven local nonprofits set up innovative food distribution channels to serve individuals and families in need. Thank you so much for your generosity and concern for others. You helped us step up yet again!

## PUBLIC SUPPORT

# FOUNDING DONORS (ENDOWMENT)

It is a privilege to recognize a special group of individuals, families, private foundations and nonprofit organizations who established permanent endowment funds during the Foundation's critical early years. These visionary donors saw the importance of endowing a community foundation that would provide significant resources to enrich the quality of life for current and future generations of Roanoke Valley citizens. Funds created by the donors listed below were put in place through outright gifts by December 31, 1996. Such Funds helped the Foundation reach and exceed its initial "critical mass" endowment goal of \$5 million. In recognition of this support, each donor will be recognized in perpetuity as a "Founding Donor."

**D**onors who understand the importance of a permanent community endowment have trusted the Community Foundation to carefully manage and distribute their charitable funds for generations. If you would like to join this tradition of extraordinary generosity, please let us know so you can be recognized. We would be pleased to provide you with information necessary to make an informed giving decision.

*Please note that some of the donors recognized on these two pages are now deceased. We are so grateful for their generosity over the years.*

# FRIENDS OF THE FOUNDATION

We are honored to recognize donors who give annual administrative support to the Community Foundation in the amount of \$500 or more as “Friends of the Foundation” for that fiscal year. The support of our “Friends” is vital to keeping the Foundation strong and vibrant as we work hard to make our communities even better places for all.

Please note that for our Martinsville Regional Office Friends program, we use half of the gift to underwrite costs for the office and put half into our Martinsville Area Unrestricted Fund, to be used to meet important local needs and opportunities. We also use tiered recognition levels there as follows: \$2,000 and above Visionary; \$1,500–\$1,999 Community Builder; \$1,000–\$1,499 Ambassador; and \$500–\$999 Partner.

## CHOOSING YOUR OWN INVESTMENT MANAGER

While the Foundation maintains a well-diversified and professionally-managed investment portfolio for its hundreds of endowment funds, there may be times when donors want to continue an existing relationship with a particular investment firm and specific advisor.

Under our new "Charitable Investment Relationship Policy," donors who set up a Fund within the Foundation for \$1 million or more now have that option. We will be happy to provide full details as appropriate.

## SERVICES FOR FINANCIAL, LEGAL AND INVESTMENT ADVISORS

Advisors play key roles in guiding their clients' philanthropy. They provide vital information about tax relief, building a family tradition of giving and identifying and structuring advantageous giving vehicles.

Community Foundation Serving Western Virginia supports advisors and their clients at every step in the charitable giving process. Throughout our community — financial, legal and investment advisors have discovered the capability and convenience of the Community Foundation's resources and have partnered with us to deliver charitable giving services for their clients.

Thank you for being a part of our long-term success, and we are deeply indebted for the regular support of attorneys, CPAs, trust officers, financial planners and the rest of the professional advisor community!

## CAMILLE'S LEGACY LIVES ON IN THE COMMUNITY

CAMILLE LOWNDS

Camille Maria Lownds was a native of Philadelphia and a resident of New York and Canada before coming to Roanoke. She was a fashion model, actress, producer, director and documentary filmmaker, author, world traveler and cat enthusiast. During her varied career, she appeared in numerous television shows such as "Miami Vice," "Cagney & Lacey," and in a dozen movies such as "The Godfather" and "Sweet Liberty." She also appeared in off-Broadway productions and in numerous commercials.

Camille called Roanoke home for only three years. However, this unique lady quickly developed a special fondness and passion for the area. Founding the Virginia Highlands Film Office soon after her arrival in 1999, she worked tirelessly to attract filmmakers from across the country and around the world to southwest Virginia.

Unfortunately, Camille's life was cut short in 2002 at age 63 by cancer. In the latter stages of her illness, she made arrangements through her estate plans to provide a wonderful gift which would live on in the community forever. The Camille M. Lownds Charitable Fund provides annual support for local cancer research and prevention and is used to improve the welfare and condition of children in the Roanoke Valley who are suffering or have suffered with cancer.
