PRESIDENT'S LETTER

One of the Oxford English Dictionary's definitions for the word "impact" is "the impression of one person or thing on another." Come on, OED editors, is that really the best you can do?

Instead, I would invite you to visit the communities we serve and see the big smiles on the faces of our grantees, share their tears of joy, and read their touching letters of appreciation. I would invite you to sit down with our many donors and hear how seeing the results of their personal philanthropy has touched their hearts. Then, and only then, dear editors, I would suggest that you begin to fully understand the true meaning of the word.

Over the Foundation's three plus decades, our total amount and individual number of grants have grown exponentially. The Foundation's historic first grant was \$1,000 to Literacy Volunteers, made possible in our formative years by our beloved late board member Sig Davidson. From there, your community foundation has now awarded \$66 million in cumulative grants numbering in the thousands of grants and many hundreds of nonprofit beneficiaries. That very first grant made a real impact on those learning to read. Likewise, every grant awarded thereafter has had its own origin story, its own special purpose and its own important impact on the fabric of our communities.

Now, we invite you to peruse this Annual Report to learn more about our comprehensive grant making efforts and the wonderful folks who make our work possible. Thank you for your interest!

Warmest regards,

Alan

About Us

CREATING LEGACIES. GROWING COMMUNITIES.

Community Foundation Serving Western Virginia has been providing customized services to donors for decades, connecting their generosity with a broad spectrum of important needs and opportunities within our communities. We exist to help people, with or without great wealth, give in ways that have joy and meaning for them. When you come to the Community Foundation with a dream, we offer a variety of flexible charitable solutions to make it come to life and go on forever.

Comprised of more than 400 permanent endowment funds (and growing), the Community Foundation has awarded more than \$66 million in grants to community institutions since our beginning. Each of these grants helps make our nonprofits stronger, touches the lives of many people in very real ways and brings about transformative change that makes our region an even better place to live for all.

WHO WE SERVE

We are privileged to work with individuals, families, corporations, private foundations, nonprofits and others who reside in, or are located in, much of western and southwestern Virginia. Please see the map for additional specifics. With respect to grant making, we can award grants anywhere in the country as recommended by donor advisors.

What We Do

GIVING

Our mission is to enable people who love their community to easily give back. We always want to help folks feel good about their charitable giving. Whether their passion is arts and culture, the environment or helping students reach their educational goals, they have a professional partner and steward in the Community Foundation standing ready to help put that passion into action.

It is simple and easy to establish a Fund with the Community Foundation, whether you want to create an endowment for a favorite nonprofit or provide unrestricted support to meet the needs of the community. A Fund is created with a minimum contribution of \$10,000 (\$50,000 for scholarships and \$25,000 for agency endowments). There is no cost to set up a Fund. Thereafter a Fund is assessed an annual administrative fee ranging from 1% to 1.75%. Donors may elect to start a fund with contributions of cash, publicly traded or closely held securities, real estate, personal property or by the use of planned giving vehicles such as charitable remainder trusts, charitable lead trusts, life insurance policies and bequests. Contributions of any size are also welcome to existing Funds at any time.

GRANTMAKING

The Community Foundation works tirelessly to carry out the wishes of donors and to provide expertise in local philanthropy. We constantly stay attuned to the latest developments in the nonprofit community. If donors want information on an organization, we will promptly do research and share the results of that due diligence. We also monitor the results of grants, all with the goal of ensuring that they are effective, efficient and productive.

In addition to monetary grants, the Community Foundation provides many hours of technical expertise and strategic leadership to nonprofit organizations.

TYPES OF FUNDS

Community Foundation Serving Western Virginia is comprised of many different funds dedicated to purposes our donors define. Here are the primary options:

UNRESTRICTED FUNDS provide the greatest flexibility, allowing the Community Foundation to respond to the community's pressing needs through changing time and circumstances.

FIELD-OF-INTEREST FUNDS allow donors to pinpoint support to broad areas of concern, such as education, the arts, the environment, youth services or geographic areas they choose.

DESIGNATED FUNDS ensure regular, endowed support is provided to specific charitable organizations in the donors names.

DONOR-ADVISED FUNDS allow donors to make recommendations about the distribution of grants.

SCHOLARSHIP FUNDS help further the education of students who are selected by volunteer committees based on criteria donors outline, whether a student is from a particular geographic area, attending a certain school or planning a career in a specific field.

MEMORIAL FUNDS ensure a special person is remembered through a Fund that reflects his or her legacy.

AGENCY ENDOWMENT FUNDS are created by nonprofits as a means of building charitable dollars for the future of their mission and work.

We can be remarkably flexible in crafting a charitable solution for you. Setting up a Fund is simple and can be done in a matter of minutes. For more information visit cfwesternva.org.

GRANDIN THEATRE FOUNDATION

The Grandin Theatre first opened its doors in 1932, and at the time tickets were 25¢ for adults, 10¢ for kids. Since then Grandin Theatre has been through multiple renovations and renditions of purpose. However, for the last twenty years of its life, Grandin Theatre has been refocused on serving our region as a rich and diverse cultural community center capable of offering patrons much more than just watching films.

In an effort to stay true to this commitment Grandin Theatre launched its Heart of the Main campaign, which over the past two years has strived to raise funds which would allow for the renovation of its main theatre. This renovation will give the theatre the ability to offer high quality programmatic flexibility as a multi-use venue capable of business seminars, conferences, comedy, small theatrical, speaker series, author series, debate presentations, live music, and more.

The Community Foundation's grant of \$119,000 provided the financial support to complete the most critical, final phase of the campaign, which involved revamping the stage, changing the main theatre's existing solid state screen to a fly screen, adding five auto rigging lighting and curtain bars, adding header and footer curtains, adding upstage and downstage lighting, and greatly enhancing the theatre's sound capabilities.

Now that the renovations are complete, Grandin Theatre will be able to actualize its vision of providing an exponential array of services to meet the artistic and cultural outlet needs of our community, especially our youth, students, artists, and professional communities.

The Grandin Theatre Foundation is indebted to the Community Foundation for its enormous support in closing out the Heart of the Main campaign to upgrade our hallmark Main Theatre. The grant we received not only helped us meet our campaign goals but exceed them. This support is crucial to our vision of making the Grandin's Main Theatre one of the premiere arts and cultural venues in our region in the immediate and long-range future. We are honored and humbled by this grant.

– Ian Fortier, Executive Director

FRANKLIN COUNTY HUMANE SOCIETY

Since 2000 when the low cost spay/neuter clinic first opened, Franklin County Humane Society has been a champion for animal welfare in Franklin County and its surrounding communities. Over the years the organization has grown to offer more services such as facilitating pet adoptions and expanded veterinary services. Last year, Franklin County Humane Society provided care for approximately 2,400 animals as well as provided over 3,000 spay/neuter surgeries and additional wellness services such as vaccinations.

With a \$7,500 grant from the Phalia M. and Guy M. Kinder Fund of the Community Foundation, Franklin County Humane Society was able to accomplish 150 cat spay and neuter surgeries and rabies vaccinations to reduce the outside cat population and the subsequent number of homeless kittens this year.

Every cat spayed or neutered is a success in that it reduces the yearly strain on local animal services as well as alleviates the suffering caused by overcrowded conditions in shelters.

We are so appreciative of the support from the Phalia M. and Guy M. Kinder Fund to provide spay/neuter surgeries and rabies vaccinations for outside community cats. Unaltered outside cats are the most likely to produce kittens that overwhelm shelters every year. Spaying and neutering outside cats is the humane way to solve this issue.

TACKFULLY TEAMED RIDING ACADEMY

Tackfully Teamed Riding Academy provides therapeutic horseback riding and farm experiential activities to individuals with disabilities within four counties including Henry, Franklin, Patrick, and Pittsylvania. Therapeutic riding gives children and adults with disabilities a chance to participate in an "able body activity" that they can enjoy and reach achievements in ways they thought were impossible. For the benefit of its clients, Tackfully Team prides itself on offering collaborative programs with local schools, colleges, nursing facilities, drug rehabilitation centers, and day camps. In September 2021, the Community Foundation supported one of its programs, "Riding, Rhythm, and Relationships," with a \$10,000 grant from the Women in Philanthropy Fund.

"Riding, Rhythm, and Relationships," is a program designed to combat physical, mental, and emotional barriers and challenges set in motion by COVID-19 in 2020. Within the program, the center's participants partnered with volunteers, staff, and family to participate in healthy activities, such as riding, equine facilitated learning, creative outdoor crafts, exercise (yoga by the creek), easy meals (created by a dietitian), and modified outward-bound-type activities. During the winter months, the program also included virtual Zoom meetings which consisted of social hours, arts and crafts, and meal planning. "Riding, Rhythm, and Relationships" helped participants overcome social isolation and promoted healthy habits for strong bodies and minds.

I have trouble reading and writing after my stroke and aneurysm. The Zoom activities, like the exercises and recipe ideas, made it visual for me so I could follow without having to worry about reading and writing.

– David Helms,
Tackfully Teamed Rider

I enjoyed the Zooms each week and looked forward to seeing my riding friends during the winter. We had fun doing dinner together and eating healthy and sharing recipes.

GRACE NETWORK OF MARTINSVILLE AND HENRY COUNTY

Grace Network is a faith-based community non-profit organization serving the residents of Martinsville and Henry County. For over 15 years Grace Network has worked to connect community members in crisis with the resources and support they need to improve their health and quality of life. Its processes focus on genuinely connecting with clients to find out what is the root causes of crisis in their lives, so that staff and volunteers can determine the best course of action and which community resources will best suit their needs in addition to Grace Network's services.

Individuals in need are interviewed by specially trained volunteers to determine their type of crisis, how they are addressing their own need, and how Grace Network can help. Treating clients with respect and dignity is of the utmost importance as the volunteers actively listen to the individual's story to determine how the Grace Network can assist. If nutritional assistance is needed, Grace Network not only provides direct support by supplying the client with groceries, the volunteers also work with the client to ensure they are connected to all other resources and services in the community that could help them overcome their crisis, such as SNAP and WIC benefits.

Qualified clients are provided with two weeks of groceries that will produce nutritional meals for the individual and their family until they can get back on their feet; many times the need is just until the next paycheck. The Community Foundation supported Grace Network's Crisis Nutritional Assistance Program with a \$5,000 grant from the Community Catalyst Funds to assist in providing the two week supply of groceries to clients in need.

“

With help from the Community Foundation, we are going to be able to feed approximately 100 families in crisis who are unable to feed their children or themselves. These last two years have been particularly challenging as people faced more stress with losing jobs, homeschooling and suffering with the illness of the pandemic, but Grace Network has been here to help and will continue to be here to care for those that are struggling. God calls us to care for the 'least of these' and the Community Foundation helps us to do just that.

– Tracy Hinchcliff, Director
Grace Network

THE TAUBMAN MUSEUM OF ART

The Taubman Museum of Art is the largest art museum in Southwest Virginia, and its goal is to bring people and art together for discovery, learning, and enjoyment. It has the unique ability to provide access to a world-class level of artwork that citizens in rural regions, such as our Southwest Virginia communities, would otherwise have to travel to larger cities to experience.

The Community Foundation assisted The Taubman Museum of Art in providing our community with the opportunity to enjoy an unique and exclusive art viewing experience by making a grant of over \$40,000 from the Community Catalyst Funds to support the museum's recent "Fashioning the Future" exhibit.

The *Fashioning the Future* exhibit looked at far more than just "fashion as art", and featured engaging counterpart educational programming. The *Judith Leiber: Style on Style* portion of the exhibit offered opportunities to explore the historical context of life as a Jewish craftsman in Europe during the Holocaust. The *Divas Ascending* portion focused on female leads in famous New York City operas, and had supporting lessons on the stories of these famous operas. Among other pieces, the *Tech Couture* component featured 3D-printed garments, as well as prosthetics designed as art, and had lessons that incorporated use of the Museum's 3D printer as well studies on inclusivity of those with special needs and prosthetic limbs. The headline portion of the exhibit, *Afrofuturism in Costume Design*, served as a great platform for examining how the roles of Black actors in Hollywood have evolved over the years, as well as the historical significance and related stories of costumes on display from movies such as *Roots*, *Malcolm X*, *Selma*, *Amistad*, and even the fantastical *Black Panther*.

“

The Taubman Museum of Art is honored and so very thankful for the recent award from the Community Foundation. The sponsored exhibition opened to record crowds amid much fanfare last month — and this is only the beginning! A significant portion of the Foundation's funding will provide educational programming for local K–12 students. The award also provides free admission to the exhibition, “Ruth E. Carter: Afrofuturism in Costume Design” for youth 17 and under, ensuring that all young people who visit the Museum have the chance to see the artist's work in major Hollywood motion pictures and to be inspired by her story. Among the original costumes featured are those from the blockbuster hit “Black Panther” — for which Carter became the first Black person to win an Academy Award for Costume Design. Thank you, Community Foundation!

THE LILY BELLE PATTERSON MEMORIAL FUND

Special doesn't seem big enough of a word to describe Lily Belle Patterson, but that is exactly what she was, a special bright light in the world. Lily was full of enthusiasm for life and even at a young age was apt at creating lasting relationships with all those who crossed her path. Lily's parents, Amber and Clayton Patterson, cherished her as their ray of sunshine, and her two brothers, Jaxon and Baylor, thought that their sissy hung the moon.

Lily was a girl on the go! She was involved with dance, gymnastics, and running, but the activity she loved the most was horseback riding. Lily put her whole heart into everything she did, and her parents encouraged her passion for horses and horseback riding. They even planned to sell their house to move to a new home with land for Lily and her horses. However, that dream never became a reality. Sadly, Lily caught pneumonia and passed away at the young age of 10 years old.

Lily's mother, Amber, courageously sought purpose and meaning after the tragedy of losing her beloved daughter. She reflected on the many stories that loved ones and friends shared about Lily. She received notes that read "Lily was my best friend." "Lily was kind and always spoke to me." "Lily stood up for me." "Lily picked me up when I fell." "Lily encouraged me."

Intent on ensuring that Lily's legacy of compassion and kindness lives on, Amber has openly shared her daughter's story with the hopes that the bright light she brought to this world will continue to inspire others to find meaning and joy in their lives. Lily's family also created the Lily Belle Patterson Memorial Fund with the Community Foundation. This fund in Lily's name will allow her family to make a difference within the community she grew and thrived amongst. Lily will be honored and remembered with each good deed accomplished using the grants made from the Lily Belle Patterson Memorial Fund.

FEEDING SOUTHWEST VIRGINIA

Feeding Southwest Virginia is the region's largest supplier of charitable food relief. Although directly supplying much needed food is still a main component of Feeding Southwest Virginia's services, they also incorporate innovative programming such as the Food Farmacy Program to not only address hunger but encourage overall good health.

Food insecurity leads to a greater risk of chronic illnesses, including diabetes and hypertension. The Food Farmacy Program aims to use "food as medicine" to empower individuals to lead stronger, healthier lives. As part of the program, Feeding Southwest Virginia distributes Healthy Choice Food Boxes and fresh produce through strategic healthcare partnerships aimed at connecting with vulnerable populations in our community. In the Roanoke Valley, Feeding Southwest Virginia also partners with Carilion Clinic and Virginia Cooperative Extension to hold "All In Nutrition Workshops" and "Wellness Workshops" and delivers produce to New Horizons Healthcare nutrition classes. The Food Farmacy Program allows Feeding Southwest Virginia to pair nutrition education with fresh, healthy food and produce that class participants need to create healthy habits at home.

In 2022, the Food Farmacy Program was supported by a \$10,000 grant from The Hope Fund. This contribution enabled Feeding Southwest Virginia to afford the expenses of purchasing food, personnel, transportation to deliver produce and healthy foods to partners, and program supplies.

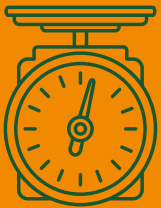

We are incredibly appreciative of the \$10,000 grant the Community Foundation Serving Western Virginia provided to Feeding Southwest Virginia for our Food Farmacy programs. As we elevate our 'food is medicine focus,' the funds will allow us to expand our hunger and health work to provide healthy food options and education to more neighbors in the Roanoke Valley.

DAN RIVER BASIN ASSOCIATION

In October 2021, Community Foundation Serving Western Virginia granted \$8,700 from its Community Catalyst Funds to support Dan River Basin Association in the creation of the Riverside Family Area at the South Martinsville Dan River Access. The Riverside Family Area's purpose is to provide a free and easily accessible option for local families and visitors to relieve stress by spending time in nature as well as an opportunity to learn more about conservation and protection. The project includes a picnic area, riverbank lounging area, canoe/kayak slide launch and terraced steps to allow for safer access to the water's edge. In addition, an interpretative and environmental education learning station will enhance visitor experience and promote nature-based education.

The Riverside Family Area creates a safe green space that is needed by the community to provide a connection to nature and its beauty. The family picnic area creates a wonderful recreational escape for children and their families that will last for generations. It is a model that the Dan River Basin Association will continue to use at other river accesses across the basin. We are thankful for the support of the Community Foundation Serving Western Virginia.

PUBLIC SUPPORT

FOUNDING DONORS

(ENDOWMENT)

It is a privilege to recognize a special group of individuals, families, private foundations and nonprofit organizations who established permanent endowment funds during the Foundation's critical early years. These visionary donors saw the importance of endowing a community foundation that would provide significant resources to enrich the quality of life for current and future generations of Roanoke Valley citizens. Funds created by the donors listed below were put in place through outright gifts by December 31, 1996.

Such Funds helped the Foundation reach and exceed its initial "critical mass" endowment goal of \$5 million.

In recognition of this support, each donor will be recognized in perpetuity as a "Founding Donor."

Estate Gifts are Vitally Important to our Work

Much of this report reflects the impact of the Community Foundation's grants on our nonprofit organizations and the citizens they serve. However, behind those comprehensive efforts to enhance and strengthen the community lies the generosity of so many wonderful individuals and families that make our work possible. Sometimes that philanthropic support comes to us during the lifetime of the donor, and many times it comes as a charitable bequest through an estate. Once received, those estate assets are invested as permanent endowments for the long-term benefit of the community.

In late 2008, we were privileged to be the beneficiary of an estate commitment from Gene Hylton. Gene, a quiet and frugal man who probably would not have ever described himself as a "philanthropist," nonetheless chose to leave

a significant gift to the Foundation. He wanted his Fund, the Gene A. Hylton Memorial Fund, to be unrestricted in purpose. That would enable the Foundation to quickly address a wide range of important needs and opportunities that would arise from time to time in the future.

Gene's visionary generosity has played a vital role in so many areas of need, while also helping underpin the Foundation's daily operations. The Hylton Fund has provided nearly \$500,000 in grants over the past 14 years, and with the principal's growth it will continue to be an important community resource for decades to come.

If the Community Foundation Serving Western Virginia can ever help you achieve your charitable objectives, either immediate or for the long term through your estate, please call on us. We would be honored to work with you.

FRIENDS OF THE FOUNDATION

We are honored to recognize donors who give annual administrative support to the Community Foundation in the amount of \$500 or more as "Friends of the Foundation" for that fiscal year. The support of our "Friends" is vital to keeping the Foundation strong and vibrant as we work hard to make our communities even better places for all.

Choosing Your Own Investment Manager

While the Foundation maintains a well diversified and professionally managed investment portfolio for its hundreds of endowment funds, there may be times when donors want to continue an existing relationship with a particular investment firm and specific advisor.

Under our "Charitable Investment Relationship Policy," donors who set up a fund within the Foundation for \$1 million or more now have that option. We will be happy to provide full details as appropriate.

DONORS

We are honored to recognize and thank the following donors who made administrative or endowment gifts or gifts in-kind during the 2022 fiscal year. We work diligently to ensure the accuracy of this listing. However, if you find an error or omission, please accept our sincere apology and let us know.

LINDA SOWDER BARNHART MEMORIAL SCHOLARSHIP FUND

"Success is not measured in the amount of dollars you make but the number of lives you impact." Linda Sowder Barnhart lived by this quote, and those who knew and loved her would not hesitate to agree. A woman who wore many hats as beloved mother, grandmother, teacher, friend, church and community volunteer, Linda dedicated her life to helping others.

Linda, a lifelong resident of Franklin County, was born in 1949 to her now deceased mother and father, Virginia and Dick Sowder. She started working at a young age on the family farm shadowing her father in the fields and driving the tractor before she could even reach the pedals. But it was her mother, a teacher, whose footsteps she would later follow. Linda graduated from Radford University with a bachelor's degree in early childhood education and went on to get her master's degree in elementary education. She started teaching at Clearbrook Elementary in Roanoke, VA.

After some time she decided to take a hiatus from her career to focus not only on her young children at home but on her church family as well. Linda was an active and faithful member of Antioch Church of the Brethren and was a lifetime Sunday and Bible School teacher, continuing her dedication to teaching children.

She was also a volunteer at Camp Bethel where she led weeklong church camps, planning all the activities, devotions, and music.

As her children grew older, Linda felt called to go back to her early career choice and spent the next 20 years at Sontag Elementary teaching Kindergarten. She received numerous awards, including a nomination for state teacher of the year. Linda was the epitome of selfless service even as she fought through her six-year cancer journey. She never complained and cherished the time she was able to spend with her kids, grandkids, and traveling the world.

When Linda passed away in September 2021, her family, knowing the positive impact she made in the community, wanted to carry on her legacy. Through the Community Foundation, the Linda Sowder Barnhart Memorial Scholarship was established to help Franklin County High School seniors (who had attended Sontag Elementary) pursue their educational dreams.

SERVICES FOR FINANCIAL, LEGAL AND INVESTMENT ADVISORS

Advisors play key roles in guiding their clients' philanthropy. They provide vital information about tax relief, building a family tradition of giving and identifying and structuring advantageous giving vehicles.

Community Foundation Serving Western Virginia supports advisors and their clients at every step in the charitable giving process. Throughout our community — financial, legal and investment advisors have discovered the capability and convenience of the Community Foundation's resources and have partnered with us to deliver charitable giving services for their clients.

Thank you for being a part of our long term success, and we are deeply indebted for the regular support of attorneys, CPAs, trust officers, financial planners and the rest of the professional advisor community!

BOTETOURT RESOURCE CENTER

Botetourt Resource Center has been a hub of activity for the area's senior population for over 20 years. The Center provides opportunities for seniors to gather and make connections through recreational programs which uplift quality of life or are just fun, like weekly bingo! But a vital part of Botetourt Resource Center's mission is its commitment to connecting senior residents of Botetourt County with much needed resources through information, advocacy and referral. The Center now also offers services that directly assist seniors in the community who struggle with financial constraints by providing help with fuel assistance, small home repairs, and support for other basic needs.

Rising costs for food, fuel, utilities, and other costs of daily living have caused seniors increased anxiety and uncertainty. The Community Foundation was able to help Botetourt Resource Center in meeting the needs of vulnerable seniors by providing a \$35,000 grant from the Marion S. and Willie Z. Camp Fund for Eldercare to support the Center's critical assistance programs and services.

The Foundation's funding has been instrumental in supporting BRC's efforts to provide programs and assistance for seniors living on fixed incomes. The Center improves clients' health and well-being by offering social activities and helps ease financial burdens due to rising costs for food, fuel, utilities, home repairs as well as other basic human needs.
