PRESIDENT'S LETTER

In preparing my remarks for this 35th Celebration Annual Report, I decided to revisit the Foundation's very first report. There were several things that stood out. First was the report's amateurish, and quite frankly garish, red hue. What was I thinking? Second, the book was only eight pages, with more "white space" than text. (This year's report is a loaded 48 pages.) Third, there was a vaguely familiar young fella staring at me from the Executive Director's page. And perhaps most telling was that our named endowments numbered five, and total grants were under \$20,000.

Today, the Community Foundation holds and administers nearly 400 named endowments and awards more than \$4 million annually in grants to many hundreds of worthy nonprofit organizations. Over our three and a half decades, we have invested close to \$70 million back into the community, our corpus has grown to \$110 million, and the Foundation's known future estate gift commitments are rapidly approaching \$200 million.

These successes have only happened because of the remarkably generous support of you and so many others throughout the many communities we now serve. We thank you and thank you again x 35!! Now, we invite you to peruse this report to see what you have helped us accomplish.

(And that young fella I mentioned, he's still hanging around and in fact is hiding somewhere in this report. See if you can spot him!)

Warmest Regards,

Alan

ABOUT US

CREATING LEGACIES. GROWING COMMUNITIES.

Community Foundation Serving Western Virginia has been providing customized services to donors for decades, connecting their generosity with a broad spectrum of important needs and opportunities within our communities. We exist to help people, with or without great wealth, give in ways that have joy and meaning for them. When you come to the Community Foundation with a dream, we offer a variety of flexible charitable solutions to make it come to life and go on forever.

Comprised of nearly 400 permanent endowment funds (and growing), the Community Foundation has awarded close to \$70 million in grants to community institutions since our beginning. Each of these grants helps make our nonprofits stronger, touches the lives of many people in very real ways and brings about transformative change that makes our region an even better place to live for all.

WHO WE SERVE

We are privileged to work with individuals, families, corporations, private foundations, nonprofits and others who reside in, or are located in, much of western and southwestern Virginia. Please see the map for additional specifics. With respect to grant making, we can award grants anywhere in the country as recommended by donor advisors.

WHAT WE DO

GIVING

Our mission is to enable people who love their community to easily give back. We always want to help folks feel good about their charitable giving. Whether their passion is arts and culture, the environment or helping students reach their educational goals, they have a professional partner and steward in the Community Foundation standing ready to help put that passion into action.

It is simple and easy to establish a Fund with the Community Foundation, whether you want to create an endowment for a favorite nonprofit or provide unrestricted support to meet the needs of the community. A Fund is created with a minimum contribution of \$10,000 (\$50,000 for scholarships and \$25,000 for agency endowments). There is no cost to set up a Fund. Thereafter a Fund is assessed an annual administrative fee ranging from 1% to 1.75%. Donors may elect to start a fund with contributions of cash, publicly traded or closely held securities, real estate, personal property or by the use of planned giving vehicles such as charitable remainder trusts, charitable lead trusts, life insurance policies and bequests. Contributions of any size are also welcome to existing Funds at any time.

GRANTMAKING

The Community Foundation works tirelessly to carry out the wishes of donors and to provide expertise in local philanthropy. We constantly stay attuned to the latest developments in the nonprofit community. If donors want information on an organization, we will promptly do research and share the results of that due diligence. We also monitor the results of grants, all with the goal of ensuring that they are effective, efficient and productive.

In addition to monetary grants, the Community Foundation provides many hours of technical expertise and strategic leadership to nonprofit organizations.

TYPES OF FUNDS

Community Foundation Serving Western Virginia is comprised of many different funds dedicated to purposes our donors define. Here are the primary options:

UNRESTRICTED FUNDS provide the greatest flexibility, allowing the Community Foundation to respond to the community's pressing needs through changing time and circumstances.

FIELD-OF-INTEREST FUNDS allow donors to pinpoint support to broad areas of concern, such as education, the arts, the environment, youth services or geographic areas they choose.

DESIGNATED FUNDS ensure regular, endowed support is provided to specific charitable organizations in the donors names.

DONOR-ADVISED FUNDS allow donors to make recommendations about the distribution of grants.

SCHOLARSHIP FUNDS help further the education of students who are selected by volunteer committees based on criteria donors outline, whether a student is from a particular geographic area, attending a certain school or planning a career in a specific field.

MEMORIAL FUNDS ensure a special person is remembered through a Fund that reflects his or her legacy.

AGENCY ENDOWMENT FUNDS are created by nonprofits as a means of building charitable dollars for the future of their mission and work.

We can be remarkably flexible in crafting a charitable solution for you. Setting up a Fund is simple and can be done in a matter of minutes. For more information visit cfwesternva.org.

“The generous funding West End Center received for a new to-us bus, allowed our students to have a wonderful summer full of healthy physical activities and fun!”

– Karen Hogan Pillis, Executive Director, West End Center for Youth

WEST END CENTER FOR YOUTH

various recreational, cultural, and academic destinations.

However, West End Center encountered a significant challenge when new Department of Education standards came into play. The buses being used to transport the children fell short of the weight requirements by 100 pounds, making it impossible to transport children under the age of eight without booster seats. This threatened the continuity of these enriching activities as timely transportation became a major hurdle.

Fortunately, a ray of hope emerged in the form of a grant from the Community Foundation’s Community Catalyst Funds. With \$20,000 in financial support, West End Center was able to purchase a bus that met the necessary weight requirements. This lifeline ensured that the children could continue to embark on their exciting journeys of learning and exploration, with their safety and well-being as the top priority.

West End Center has provided a variety of programs and services for children within its urban center since 1979. Today, approximately 150 children from fourteen Roanoke City and Roanoke County elementary schools, five Roanoke City middle schools, and three high schools benefit from programs that focus on academic

skill development, nurturing social-emotional growth, and promoting health and wellness. The overarching goal is to provide students with the developmental assets needed to flourish into happy, healthy, and successful adults.

During the summer, West End Center hosts a full-day summer

camp, a cherished tradition for the children. The mornings are dedicated to academic enrichment, while the afternoons are reserved for thrilling field trips. These excursions are the highlight of the students’ year, featuring pool trips, visits to museums, movie outings, roller skating adventures, hikes in nature, and explorations of

“ The museum’s journey from a grassroots group of local artists to the accredited museum it is today reflects the true essence of community collaboration. Community support fuels the growth of Piedmont Arts and ensures its relevance for tomorrow’s artists, youth, and art enthusiasts. ”

– Heidi Pinkston, Executive Director, Piedmont Arts

PIEDMONT ARTS ASSOCIATION

For six decades, Piedmont Arts has been a cornerstone of artistic and cultural enrichment in the Martinsville-Henry County region and its surrounding areas. Founded in 1961 by artists and community advocates, it stands as the sole organization in the broader region encompassing the City of Martinsville, Henry, Franklin, Pittsylvania, and Patrick counties, offering a diverse spectrum of services, including ongoing exhibitions, performing

arts, and educational initiatives, both within local schools and at its Martinsville facility.

Piedmont Arts boasts five galleries and an art garden for outdoor sculptures, extending visual arts, performing arts, and educational opportunities at minimal or no cost to the local community. Through free educational programs, complimentary exhibitions, and affordable performances suitable for all ages, the institution not only brings valuable art experiences to its

community but also strives to ensure equitable and accessible access to these enriching experiences.

The institution’s commitment extends beyond its physical walls through its public art program. In 2021, the Growth + Restoration Campaign was initiated to secure Piedmont Arts’ future as a cultural leader. This campaign encompasses building and grounds renovations, bolstering the museum’s endowment fund, expanding event space,

implementing state-of-the-art gallery systems, and reducing its carbon footprint via solar panel installations.

Situated in the heart of Uptown and serving as a prominent tourism attraction, Piedmont Arts aspires to continue growing and serving a more diverse community for years to come. A grant of \$11,990 from the Martinsville Area Endowment Fund to support the Growth + Restoration Campaign paves the way for Piedmont Arts to enhance its offerings and better serve its vibrant community.

“ There is no better teacher than experience. We love seeing the joy on a girl’s face after she’s conquered a fear or overcome a challenge. That experience of pushing beyond one’s comfort zone into something new is where true confidence is born. ”

– Alex Siple, Executive Director

THE WILD WAY

According to scientific evidence, the benefits of outdoor recreation for children are extensive as they encompass physical, mental, emotional, and social advantages. These benefits are particularly crucial for young girls transitioning through puberty. In 2021, a newly formed Roanoke nonprofit, The Wild Way, recognized these benefits and began offering outdoor expeditions to girls aged 9-14 in the greater Roanoke area.

The goal is to boost participant confidence, foster an appreciation for nature, promote physical activity, and spark curiosity.

Believing that confidence is found by conquering adversity, The Wild Way provides girls the opportunity to experience new and potentially intimidating experiences such as rock climbing and paddle boarding. The great outdoors provides the perfect backdrop for engaging girls in these types

of confidence-building activities. During each class, participants are encouraged to confront challenges head-on and learn from each setback or success and from each other in an effort to develop resiliency.

With the help of a \$15,000 grant from the Community Foundation’s Community Catalyst Funds, The Wild Way can continue to provide scholarship assistance to economically disadvantaged families and bridge the gap in outdoor recreation opportunities for low-income youth.

“ The new addition of the parent/child workstation provides parents access to a computer with a safe, enriching, and interactive play area for their child. Our partnership with the Community Foundation is a prime example of how ‘Team Work Makes the Dream Work.’ ”

– Tammy Cope, Branch Manager, Martinsville Library

BLUE RIDGE REGIONAL LIBRARY

Not all grants from the Community Foundation follow the traditional application process when encountering exceptional ideas. In January 2022, a viral tweet from Families Forward VA Advocacy showcased a library that had introduced workstations for caregivers and their babies, sparking inspiration within the Foundation. This innovative concept held the potential to greatly benefit our community.

Barbara Weedman, the library director of Henrico County Public Libraries in VA, recognized the challenges faced by parents with infants or toddlers when trying to use library computers while juggling childcare responsibilities. She envisioned a work-play station that would provide parents with computer access while offering a safe space for their children. To bring this vision to life, she collaborated with TMC,

a prominent furniture innovator and the nation’s largest provider of contract children’s furniture. Thus, the Fairfield Parent+Child Carrel design was born, offering parents a productive workspace alongside an engaging interactive area for their children.

Community Foundation staff reached out to multiple libraries, and the Blue Ridge Regional Library enthusiastically agreed to house one of these innovative stations.

Thanks to a grant of \$3,656 from the Martinsville Area Unrestricted Fund and the C. Mead Boxley Memorial Fund, a parent/child workstation found its place in the main library. Now, parents can work conveniently while their babies or toddlers engage in a stimulating LearnPLAY environment. This workspace not only promotes productivity but also encourages playful exploration and learning, offering a valuable resource to the community.

Donor advised funds are a great way for parents to involve their children in giving back to the community. By including sons and daughters as fund advisors, they develop a pattern of charitable giving and lifelong philanthropy.

HART OF THE ENTREPRENEUR FUND

In 1993, a young entrepreneur started a new company in an office over his garage, but his aspirations were way bigger than that location. Bonz Hart wanted to start an international software company that could be used by the biggest corporations in the world, and he believed he could get them to invest in software products that had in fact yet to be developed. And he was going to do this in the Roanoke Valley!

The new company was Meridium, Inc. Bonz's faith in his vision and his strong religious faith resulted in the company growing over the years to 500 full-time employees and contractors and becoming a worldwide leader in software for the oil and gas industry. Meridium opened offices in Houston, London, Madrid, Dubai, Bangalore, Singapore and Australia, all the while still being headquartered in Roanoke. Bonz, with his trademark good-hearted sense of humor, would often refer to the company as a 25 year "overnight success."

Sadly, in 2022 the entrepreneur and technology community, and in fact the much wider community, lost this inspirational pioneer and icon, as Bonz was stricken with pancreatic cancer and passed two months later at the age of 66.

To carry on Bonz's legacy of personal impact on and desire to help new entrepreneurs, his friends within the Roanoke-Blacksburg Technology Council and many others have generously come together to establish an endowed fund, the Hart of the Entrepreneur Fund, within the Community Foundation. We are honored to hold and administer this fund and know that it will be a wonderful resource for generations to come.

“ The exceptional quality of the dogs we place is at the core of what we do and our extensive training program is an absolutely crucial part of the journey from puppy to partner. With the support we receive through this grant, we are able to truly empower and transform the lives of people with disabilities through life-changing partnerships with a Saint Francis service or facility dog. ”

– Cabell Youell, Executive Director of Saint Francis Service Dogs

SAINT FRANCIS SERVICE DOGS

Established in 1996, Saint Francis Service Dogs stands as Virginia’s largest service dog organization, proudly accredited by Assistance Dogs International. Its mission extends to individuals with disabilities across the state of Virginia and a three-hour radius from its Roanoke facility, reaching into parts of West Virginia and North Carolina.

Saint Francis professionally trains service dogs to support individuals with a diverse spectrum of disabilities, including autism, cerebral palsy, muscular and joint disorders, multiple sclerosis, brain injuries, paralysis, rheumatoid arthritis, and numerous other conditions. These service dogs undergo rigorous training in over 40 specialized tasks and skills, enabling them to assist their partners in their daily lives. This 24-hour companionship not only restores independence and freedom but also provides a profound sense of safety, peace of mind, and joy to their partners.

In addition to supporting individuals, Saint Francis also trains and places highly skilled facility dogs for professionals working in healthcare, courtroom, or educational settings. These facility dogs contribute to occupational and physical therapy, offer motivation, and provide comforting support.

The journey to raise, train, and place a service dog takes two years and tens of thousands of dollars. Remarkably, Saint Francis absorbs this financial burden, ensuring that money is never an obstacle in receiving the life-changing support of a service dog.

Recognizing the importance of this mission, the Community

Foundation extended its support by granting \$8,170 from the Phalia M. and Guy M. Kinder Fund to bolster the training program. This investment ensures that Saint Francis Service Dogs can continue its vital work of transforming lives through the companionship and assistance of these incredible service dogs.

“The grant was vital as a new nonprofit because often the first year is the toughest. It helped to offset staff costs and enabled us to improve safety by purchasing an outdoor fence in the playground area and a six-child stroller that lessens our response time to emergency drills.”

– Sierra Barrow, Founder and Executive Director

THE BARROW CENTER

In 2016, Sierra Barrow began her nurse care management career at a pediatric palliative care clinic in Greensboro, North Carolina, where she discovered her passion for helping special needs children. In 2019, she earned her certified case manager (CCM) certification, driven by her firsthand experience witnessing the challenges faced by her sister-in-law, a mother caring for a child with cerebral palsy.

In 2023, The Barrow Center opened as Martinsville and Henry County's first licensed therapeutic child day program and Virginia's third. It provides vital childcare for medically fragile children aged

0–18 who have a range of special needs, including conditions such as cerebral palsy, autism, Down syndrome, and those reliant on feeding tubes, to name a few. In addition to providing assistance to children, the Center fulfills a vital role by facilitating parents' return to the workforce, offering respite care to help prevent caregiver burnout, and entering

into partnerships with local therapy agencies to administer in-house therapy sessions tailored to the unique requirements of the children it serves.

A grant of \$10,000 from the Community Foundation's Community Catalyst Funds will provide financial support to ensure the continued growth

and prosperity of the center, underscoring its mission to be a beacon of hope and assistance for countless families in the Martinsville and Henry County region. With this grant, Sierra Barrow's vision has not only come to fruition but also shines brighter than ever, bringing support to those who need it most.

The Center for Caring represents our long-awaited opportunity to provide the gold standard of inpatient hospice care for our patients and their families, offering support in a homelike environment during their greatest time of need. Our patients and families will benefit from this historic gift for generations to come.

– Aaron Housh, Chief Executive Officer, Good Samaritan Hospice

GOOD SAMARITAN HOSPICE

Good Samaritan Hospice, a community-based non-profit organization, has been a pillar of compassionate end-of-life care in the Roanoke and New River Valley region for over three decades. Since receiving its license in 1992, Good Samaritan Hospice has provided exceptional care to more than 15,000 patients facing life-limiting illnesses. Headquartered in Roanoke County, its comprehensive serious illness care extends even to the remote corners of southwest Virginia.

Good Samaritan Hospice is now embarking on a significant expansion to build a comprehensive Center for Caring, which will include for the first time an inpatient "hospice house." The facility will feature 16 private patient rooms with accommodations for overnight stays by loved ones, dedicated family meeting spaces, a chapel, and tranquil gardens. This hospice house will offer a holistic program encompassing expert

medical care, emotional and spiritual support, and unwavering compassion.

Patients with terminal illnesses will have access to southwest Virginia's sole freestanding hospice inpatient facility, operating around the clock, regardless of their ability to pay. This means that family members can transition

from caregivers to being fully present with their loved ones at the bedside. The Center for Caring is committed to ensuring that every patient experiences their final moments with dignity and respect and will continue to be a beacon of hope and support for families during their most challenging times.

The Community Foundation saw this project as one worthy of its largest single grant in its history and stepped forward with \$500,000 from its Community Catalyst Funds. This substantial contribution sets a new standard for the Foundation's philanthropic impact within our community.

ELIZABETH TEAGUE COGLITORE MEMORIAL FUND

Charles Kuralt once wisely said, "Good teachers know how to bring out the best in students." Elizabeth Coglitore epitomized this sentiment; she was a teacher at heart and effortlessly became the very best at it for her students. Her journey into education began long before she consciously chose this path. As a child, she engaged in imaginative games of school with her sister Julia, teaching her the ropes of how to act and even do "homework" before Julia started Kindergarten. From the moment she stepped into a classroom, Elizabeth left an indelible mark on the lives of all those she encountered.

But Elizabeth was more than just a remarkable teacher; she was an extraordinary friend. As your biggest supporter in all endeavors, she possessed a rare gift for making you feel like the most important person in the world — because, to her, you truly were. Her ability to express her genuine affection for others was unparalleled.

It should come as no surprise that when she became a mother, Elizabeth excelled in this role as well. From the moment she learned she was expecting twins to becoming a devoted mother to her two precious girls, she poured her heart and soul into the task. Elizabeth's love extended not only to her girls and her husband but also to the friends she made throughout her many adventures, both in her personal life and her career as a teacher.

Elizabeth took immense pride in the impact she had on the lives of her students and her family. Though she may no longer be with us, her memory lives on through the Elizabeth Teague Memorial Fund, which seeks to carry forward her passion for teaching and her love for her students by providing grants to the Christa McAuliffe Elementary School.

PUBLIC SUPPORT

FOUNDING DONORS (ENDOWMENT)

It is a privilege to recognize a special group of individuals, families, private foundations and nonprofit organizations who established permanent endowment funds during the Foundation's critical early years. These visionary donors saw the importance of endowing a community foundation that would provide significant resources to enrich the quality of life for current and future generations of Roanoke Valley citizens. Funds created by the donors listed below were put in place through outright gifts by December 31, 1996.

Such Funds helped the Foundation reach and exceed its initial "critical mass" endowment goal of \$5 million.

In recognition of this support, each donor will be recognized in perpetuity as a "Founding Donor."

Proper obituaries for Sallye and Bill Coleman would fill two pages of this report and still not do justice to their amazing lives of helping others in a quiet, yet productive manner, wishing no praise for themselves. They were long and steadfast members of High Street Baptist Church, faithfully serving the church in many different capacities.

Professionally, Sallye and Bill were both outstanding educators, excelling as teachers and administrators, as well as Sallye serving on the Roanoke City Public School Board. They filled their days with innumerable hours of volunteer work, receiving many accolades and awards. At their very core, they were full of God's grace, compassionately seeking to help young men and women find their own way in life.

WILLIAM D. AND SALLYE T. COLEMAN MEMORIAL SCHOLARSHIP FUND

The Community Foundation was so very fortunate to have Sallye serve many years on our Board of Governors and then as a Governor Emeritus. At Sallye's passing in January, 2023 at the age of 104, she perpetuated her and Bill's long legacy of service to youth and education through her estate. The two of them made a provision years earlier to gift their longtime residence to the Community Foundation at life's completion.

The home was to be sold and the proceeds to be used to establish the William D. and Sallye T. Coleman Memorial Scholarship Fund. For generations to come, this endowed Fund will provide higher-education financial assistance to worthy seniors from the two Roanoke City high schools and support a deserving senior who is a member of High Street Baptist Church.

FRIENDS OF THE FOUNDATION

We are honored to recognize donors who give annual administrative support to the Community Foundation in the amount of \$500 or more as "Friends of the Foundation" for that fiscal year. The support of our "Friends" is vital to keeping the Foundation strong and vibrant as we work hard to make our communities even better places for all.

CHOOSING YOUR OWN INVESTMENT MANAGER

While the Foundation maintains a well diversified and professionally managed investment portfolio for its hundreds of endowment funds, there may be times when donors want to continue an existing relationship with a particular investment firm and specific advisor.

Under our "Charitable Investment Relationship Policy," donors who set up a fund within the Foundation for \$1 million or more now have that option. We will be happy to provide full details as appropriate.

DONORS

We are honored to recognize and thank the following donors who made administrative or endowment gifts or gifts-in-kind during the 2023 fiscal year. We work diligently to ensure the accuracy of this listing. However, if you find an error or omission, please accept our sincere apology and let us know.
